1 Introduction and Acceptance of Terms

These Terms govern your access to and use of `<ephcall/>` (the "Application"), available at https://ephcall.aimachine.io, provided by The AI Machine UG.

By using the Application, you agree to these Terms. If you do not agree, do not use the Application.

The Application is provided for technological demonstration and evaluation purposes only. It is not intended for production, critical, commercial, or reliance-based use.

2 Description of Service

`<ephcall/>` is a browser-based peer-to-peer voice application with authenticated session establishment and optional insertable-stream media encryption, depending on browser capability and session policy settings.

Features, behavior, and availability may change, be limited, or be discontinued at any time without notice.

3 User Responsibilities

You agree that:

- You are responsible for lawful use of the Application.

- You are responsible for device and endpoint security (OS/browser updates, malware hygiene).

- You are responsible for secure exchange and management of handles, peer IDs, and shared secrets.

- You understand that weak or disclosed shared secrets may reduce session security.

4 Privacy and Data Handling

- Voice traffic is intended for direct peer-to-peer transport after signaling.

- The Application does not intentionally store voice content on central servers.

- Session runtime state is designed to be ephemeral and cleared on reset/disconnect.

- Browser capability differences can lead to transport-only mode when insertable-stream E2EE is unavailable.

5 No Warranty

THE APPLICATION IS PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, SECURITY, OR AVAILABILITY.

6   Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, The AI Machine UG SHALL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING FROM USE OF OR INABILITY TO USE THE APPLICATION.

TOTAL AGGREGATE LIABILITY, IF ANY, IS LIMITED TO THE GREATER OF (A) AMOUNTS PAID BY YOU FOR THE APPLICATION IN THE PRIOR 12 MONTHS OR (B) EUR 1.00.

7   Third-Party Dependencies

The Application may rely on third-party infrastructure or libraries (including browser `WebRTC` stacks and signaling/relay infrastructure). The AI Machine UG disclaims liability for third-party availability, security, or behavior.

8   Modification and Termination

The AI Machine UG may modify these Terms and may suspend, modify, or discontinue the Application at any time.

You may stop using the Application at any time.
